#### ABOUT THE PROJECT

The project is constructing a six-mile carpool lane in each direction for vehicles with two or more passengers, along US 101 from Mobil Pier Road in Ventura County to Casitas Pass Road in Santa Barbara County.

Additional improvements include: a pedestrian undercrossing in La Conchita, concrete barriers, southbound bike lane, median landscaping, reconstruction of existing drainage, closing existing median openings and installing Intelligent Transportation Systems.

Construction began in 2012 and will end in 2015.
